I have been coming to Dr. Amison now for many years! He has completely changed the way I feel about going to the dentist. He is incredibly gentle and has always kept me well informed as to what is going on during different procedures. He takes time to make sure he has a caring staff and they all make you feel welcome and cared for. I have "NO" anxiety or fear of pain with any of my dental work... I thank God for helping me find such an awesome dentist to bring my family to! I pray blessing and prosperity on your practice and your beautiful family!
