Dear Dr. Amison,

At 72 years of age, and easily sixty of those years being treated by my dentist, I believe I'm in a position to recognize dental work talent. Having my teeth cleaned, polished & examined twice a year for many years, I had learned to expect a certain procedure, knowledge & talent.

Today was my first experience with Naylin Mackintosh, a new dental hygienist with Dr. Amison. Naylin explained each procedure in advance. She X-rayed my teeth/jaw showing possible trouble spots, & what I should do to counteract the problem. The care she took in cleaning & polishing was greater in depth & time than any cleaning I've experienced in the past. Extraordinarily thorough!

In addition to her talent & skill, Naylin exhibits a charming personality. If this were a resume, she'd be hired!

Sincerely,

William Ellis
