

my Regular dentist Retired and DR. Amison
Assumed The Practice in 1999, in Akron.

Each Visit To This New dentist
was so wonderful, very efficient, ~~no~~
pain. He never compromised Service
for integrity. He explains what
is necessary and why. I have
complete Faith in his Advice and
his gentle painless manner.

The office has expanded
since the earlier days with
staff that is attentive,
experienced as Dr. Amison.

It is so comforting To
Receive This kind of
Attention and help.

Thank you All
