

Brian L. Amison, DDS LLC
Creating and Maintaining Beautiful Smiles for a Lifetime

I like Brian L. Amison, DDS because everyone there has always been friendly, very polite, and genuinely concerned about my health and well being. Ever since I was little, and started going here I was actually excited to go to the dentist. The hygienists are very professional and make me feel very clean which is great when there isn't much discomfort either. Dr. Amison is also a very entertaining and professional dentist. He always remembered our conversations from six months prior and I always felt welcome in his office, as well as safe and sure he was doing an excellent job. Leaving and entering is as pleasant as it could be as well! The receptionists and front desk coordinators are kind enough you don't want to leave. Good stuff.
